Dear Sir/Madam,

Thank you for taking time to interview me yesterday. My enthusiasm for the intern position and my interest in working in Samsung Telecommunications America has been strengthened as a result of our meeting.

Please do not hesitate to contact me if there is anything further I can do to assist your recruitment committee in its decision-making process. I am more than willing to visit your offices for further interviews.

Thank you again and I look forward to hearing from you.

Sincerely yours,

Boyang Li
